FOR GPS, locate: 2 Arnold St., Camden, NJ (Depending on your GPS service, 2 Arnold Street, can also be 2000 Arnold Str, 2200 Arnold Str, 2400 Arnold Str or Arnold Street – they are all the same residential address as 2 Arnold Street which intersects with Fairview Street)

Amerinox Processing
2201 Mt. Ephraim Ave. • Bldg 90
Camden, NJ 08104

From Philadelphia:

Ben Franklin Bridge toward NJ. Once on the bridge, stay on the right side as you go thru the tollbooth area and take Rte. 676 South. Continue 5-7 minutes and exit at Morgan Blvd exit. At the bottom of the exit, make a left. Go about 1 mile – you will pass a park that has basketball courts and a firehouse. Morgan St. will dead-end at Fairview St. Make a right, go 50 feet, and make a left into Harris Camden Terminal. It is an industrial complex.

Once you enter the complex – drive straight 100 yards, make a right and go 100 yards, then make a left and stay on the left side of Building 90. Continue around the building until you see a tan office.

Traveling on Rte. 295 South: (you are North of I-76):

Take Rt. 295 South and follow signs to Exit 26 – on the left merge onto I-76 towards I-676/Camden/Philadelphia/Walt Whitman Bridge. After several miles (just before the Walt Whitman Bridge) merge onto Rt 676 North. Follow about 2 miles and take exit for Morgan Blvd. At the bottom of the exit, make a right.

Go about 1 mile – you will pass a park that has basketball courts and a firehouse. Morgan St. will dead-end at Fairview St. Make a right, go 50 feet, and make a left into Harris Camden Terminal.

Once you enter the complex – drive straight 100 yards, make a right and go 100 yards, then make a left and stay on the left side of Building 90. Continue around the building until you see a tan office building.

Traveling on Rte. 295 North (you are south of I-76):

Take Rt. 295 North and follow signs to I-76 towards I676/Camden/Philadelphia/Walt Whitman Bridge. After several miles (just before the Walt Whitman Bridge) merge onto Rt 676 North. Follow about 2 miles and take exit for Morgan Blvd. At the bottom of the exit, make a right.

Go about 1 mile – you will pass a park that has basketball courts and a firehouse. Morgan St. will dead end at Fairview St. Make a right, go 50 feet, and make a left into Harris Camden Terminal.

Once you enter the complex – drive straight 100 yds, make a right and go 100 yards, then make a left and stay on the left side of Building 90. Continue around the building until you see a tan office building.

From NJ Turnpike:

Take Exit 3, which is Black Horse Pike (Rte. 168) and go West. Follow past Rte. 295, then past Rte. 130. About 1.5 miles after Rte. 130, make a left on Fairview St. On the right side, you will see an industrial complex, called Harris Camden Terminal. After about 100 yards, you will pass the first entrance into the complex. Go to the second entrance (about ¼ mile) and make a right.

Once you enter the complex – drive straight 100 yards, make a right and go 100 yards, then make a left and stay on the left side of Building 90. Continue around the building until you see a tan office building.

From the Philadelphia Airport:

Follow Rte. 95 North about 10 minutes and take the Walt Whitman Bridge East towards NJ. Immediately after crossing the bridge, take Rte. 676 North. Go about 1 mile and take Morgan Blvd exit. At bottom of the exit, make a right. Go about 1 mile – you will pass a park that has basketball courts and a firehouse. Morgan St. will dead end at Fairview St. Make a right, go 50 feet, and make a left into Harris Camden Terminal.

Once you enter the complex – drive straight 100 yards, make a right and go 100 yards, then make a left and stay on the left side of Building 90. Continue around the building until you see a tan office building.
